1. Overview

About the merger

Getting ready to merge with Hostplus

Maritime Super and Hostplus will be merging on 1 September 2023.

When we merge, we'll be part of one of Australia's largest super funds with over \$100.6 billion¹ in assets under management on behalf of more than 1.73 million members.

With our shared industry fund values and commitment to exceptional member service, we're excited to be merging with Hostplus.

Like us, Hostplus is a profit-to-member fund focused on delivering outcomes to its members and employers.

Hostplus' roots are in supporting the hospitality, tourism, recreation and sports industries; however, today it is widely recognised as a fund for all Australians. Anyone can join Hostplus, no matter which industry they work in. In fact, more than 50% of Hostplus members are currently employed outside of Hostplus' heritage sectors.

How the merger will occur

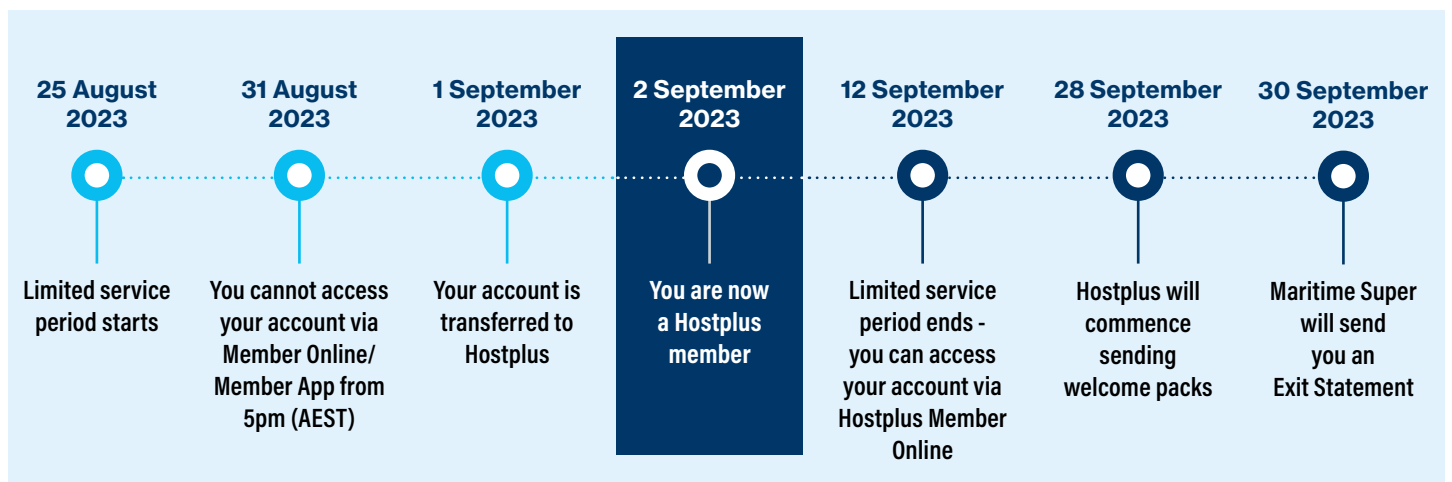

Your membership with Maritime Super will be transferred to Hostplus on what's known as a 'successor fund' basis. This means that the Maritime Super Trustee and Hostplus Trustee will provide members with equivalent rights to the rights members had under Maritime Super in respect of their benefits.

The transfer of your superannuation benefits from Maritime Super to Hostplus will happen automatically.

¹ Hostplus manages a total of \$100.6 billion funds under management, when including other investments managed in the Hostplus Pooled Superannuation Trust (in which the Maritime Super assets are invested).

Merger timeline and milestones

On 1 September 2023, your Maritime Super account will be transferred to Hostplus and you will be a Hostplus member from 2 September 2023. Below is a summary of key milestones in our merger process.

Maritime Super
23,000 members
\$6.0 billion in assets

Hostplus
1.71 million members
\$94.4 billion in assets

Hostplus (post merger)
1.733 million members
\$100.6 billion in assets

The limited service period: 25 August - 12 September 2023

Between 25 August and 12 September 2023, there will be a 'limited service period' during which time the processing of some requests will be limited while accounts transition to Hostplus.

Please be aware that withdrawals from your Maritime Super account cannot be processed until after the limited service period and your new Hostplus account is available.

Important dates to note

By 25 August 2023

Any forms or applications must be received by Maritime Super.

Until 5pm (AEST) 31 August 2023

Online access available through Member Online.

From 2 September 2023

You can contact Hostplus at hostplus.com.au/contact

Any forms or applications relating to your Maritime Super account will need to be received by Maritime Super by no later than 25 August 2023.

We recommend that you email your completed forms to info@maritimesuper.com.au, as postal delivery times vary and may not be received by this date.

If forms or applications are submitted after 25 August 2023, or are received by 25 August 2023 but are incomplete or do not include all requirements, we cannot guarantee that your request will be processed in time and may need to be processed by Hostplus following the limited service period.

You will continue to have access to Member Online until 5pm (AEST) on 31 August 2023 for all online transactions, including investment switches and account updates. From 2 September 2023 to the end of the limited service period, you will need to contact Hostplus at hostplus.com.au/contact. Most requests will be processed after the limited service period ends. However, any investment switches requested will be effective the date the request is received. From mid-September 2023, you will have access to Hostplus Member Online for online transactions, including investment switches.

Refer to Section 4 on page 12 for more information on actions you may need to take before or after the merger, and relevant form submission deadlines.

About Member Services

Member Services

Our Member Services team will be available to you throughout the merger. You'll be pleased to know our Member Services phone number 1800 757 607 is not changing, so you can continue to contact the team after the merger is complete.

Maritime Super's administration team will transition to Link Group, who manage the Hostplus Service Excellence Centre (HSEC), a dedicated quality facility for member services and fund administration.

Member Online and Member App

You can continue to use Member Online and the Member App until 5pm (AEST) on 31 August 2023. After this time, you will no longer be able to log in to your Maritime Super account and you will need to contact the Member Services team to help you with any information requests.

Following your account transfer, it should take just over a week before your new Hostplus account is accessible in Hostplus Member Online. Hostplus will notify you when you can access Hostplus Member Online along with the relevant registration details.

You can also view your account on mobile, via the Hostplus Member App. Hostplus will contact you when this is available to you.

Website, email and social media channels

From 5pm (AEST) on 31 August 2023, Maritime Super's website, email and social media will be shut down.

Maritime Super's website will be redirected to a new dedicated page on the Hostplus website, along with more information and contact details.

The info@maritimesuper.com.au email address will cease to exist. To contact Hostplus visit hostplus.com.au/contact

Maritime Super's social media channels, such as Facebook, Instagram and LinkedIn, will not continue. We know many of our members look forward to the Facebook content and we'll be sad to see it go - thank you for following us. Hostplus provides regular updates through their social media channels, which you may wish to follow.

Member communications

Following the merger, there are a series of important communications you can expect to receive, including:

- an initial welcome email from Hostplus to be sent mid-September 2023 with login instructions to Hostplus Member Online
- a welcome pack from Hostplus confirming your membership details to be sent from 28 September 2023
- an Exit Statement from Maritime Super to be sent by 30 September 2023; and
- an insurance confirmation letter from Hostplus from the end of October 2023.

As a member of Hostplus, you will continue to receive regular member communications about super, investments, retirement strategies and more to help you make the most of your super.

2. Important changes to be aware of

When we merge, your membership benefits will generally move across unchanged; however, there are some important changes we've highlighted below for your attention.

It's important to read this section to understand any changes that may impact you. If you have any questions, our Member Services team are on hand to help on 1800 757 607.

Membership category

Maritime Super categories of membership will move across as 'Maritime' branded categories and will be administered by the Hostplus Trustee as separate sub-divisions of Hostplus.

Retained Benefits members will adopt the Accumulation Advantage membership, which operates under the same terms as Retained Benefits; however, if you return to employment and your employer commences contributing on your behalf, you may be entitled to receive two units of default Death and Total & Permanent Disablement (TPD) insurance cover. You will not receive additional units of cover following return to employment if you have already utilised the continued cover option at Maritime Super.

3. Detailed information regarding your account, investments, insurance, fees and costs

Your account

Your Maritime Super account will close on 1 September 2023. Your closing balance (or transfer value) with Maritime Super will be your opening balance in Hostplus. There will be no change to your withdrawal benefits.

When member benefits are calculated effective 1 September 2023, your account and benefit details will be transferred to Hostplus. In addition to your financial information, relevant administration records and personal information held by Maritime Super will be transferred to Hostplus. Upon transfer of the data to Hostplus, Maritime Super will securely destroy all member information held by the Fund. Refer to the Privacy Statement on page 19.

After the merger, Hostplus will ensure Maritime Super member data is stored in accordance with the Australian Privacy Principles. Please refer to the Hostplus Privacy Policy for more information.

Any member contribution arrangements you have in place with Maritime Super through your payroll, for example, compulsory contributions or voluntary contributions, will continue with Hostplus. Any member contributions that you make via BPay or direct EFT will need to be updated with new BPay and EFT details from Hostplus.

Where applicable, Contributory Accumulation members will continue to have a Protected Minimum Benefit that will apply under the same calculations, so your entitlements will not change. Refer to your Exit Statement for more information.

Investments

Maritime Super offers a range of diversified and sector investment options, through our investment in the Hostplus PST since April 2021. You are already invested in the Hostplus investment options and this arrangement will continue once you are a Hostplus member.

From 2 September 2023, you will no longer be charged a pooled asset fee of 0.03% pa to invest in the Hostplus PST.

Your investment strategy will transfer across

Your investment strategy will not change. Your investment strategy as at 1 September 2023 will transfer to your Hostplus account.

Your investment options, more to choose from

One of the benefits of the Hostplus merger is that you'll have greater investment choice for your super.

In addition to the current investment options available to you as a Maritime Super member, from 2 September 2023 you will be able to choose from a broader range of investment options in Hostplus*.

To learn more about the range of investment options available to you from 2 September 2023, visit the Investments section of the Hostplus website at hostplus.com.au/members/our-products-and-services/investment-options/your-investment-options

* Investment choice for Contributory Accumulation members with a Protected Minimum Benefit

Contributory Accumulation members who joined prior to 1 July 2008 may have a Protected Minimum Benefit. If applicable to you, this means that your Contributory Accumulation account is subject to a Protected Minimum Benefit.

From 2 September, you will continue to have access to the same nine investment options offered by Maritime Super. However, the broader range of Hostplus investment options will not be available unless you elect to waive your entitlement to your Protected Minimum Benefit.

Please contact Hostplus at hostplus.com.au/contact from 2 September for more information.

Investment switching

You will continue to have access to daily investment switching, with no switching fee and no buy-sell spread, providing you with flexibility and control over the investment of your super. Some limitations may apply. See the Hostplus Product Disclosure Statement for more information.

You can change your investment strategy online at any time up until 5pm (AEST) 31 August 2023. We will also accept any forms that are received via email up until 25 August 2023.

From 2 September 2023 and during the limited service period, if you wish to make an investment switch, you can contact Hostplus at hostplus.com.au/contact

Any investment switches requested will be effective the date the request is received.

Investment performance

Investment performance will continue to be published on the Maritime Super website until 31 August 2023.

From 2 September 2023, you can visit the Hostplus website at hostplus.com.au/investment/our-investment-performance/investment-returns for information on investment performance.

Access to investment strategy advice

As always, you can call Member Services to get in touch with a financial planner for advice on your investment strategy based on your personal circumstances. You can either speak to a financial planner over the phone at no additional cost for limited advice on your investment strategy or book an appointment for a more detailed discussion and financial advice.

Simply call Member Services on 1800 757 607 to discuss your advice options.

Investment strategy in relation to your benefit

The table below sets out how your benefit is invested in certain situations, such as withdrawals or transfers between membership categories.

| | Maritime Super | Hostplus |
|---|---|---|
| Withdrawals | Withdrawn proportionally as per your existing investment strategy (unless you specify the amount to be taken from a specific investment option). | Withdrawn in proportion to the assets in each investment option at the date of withdrawal. |
| Death benefits - upon receipt of death certificate | Invested in the Cash option until payment. | Remains invested in the existing investment option(s) until payment. |
| Benefit splits under the Family Law Act | Non-member spouse split invested in the Cash option. | Non-member spouse split, if not an existing Hostplus member will be set up as a new member in the default MySuper Balanced investment option. |
| Transferring between membership categories | Invested as per your existing investment strategy. | No impact on your investment strategy. |
| Transferring from defined benefit categories | Invested as per your existing investment strategy. If you do not have an investment strategy in place for your benefit, it will be invested in the MySuper Balanced option. | Invested in line with the investment strategy for contributions of the accumulation account the funds are being transferred to. |
| Transferring from a pension to accumulation phase | Invested in line with your existing pension investment strategy. If you have more than one Maritime Super pension or accumulation account with different investment strategies, you must make an investment choice when moving to accumulation phase. | Invested in line with the investment strategy for contributions of the accumulation account the funds are being transferred to. |

Insurance

One of the key benefits of Maritime Super membership is that members receive comprehensive insurance cover that is specifically tailored for people who work in the maritime industry.

Your insurance cover will transfer across to Hostplus

If you hold insurance cover with Maritime Super as at 1 September 2023, you will automatically be provided with insurance cover once you transfer across to Hostplus. The amount of your Death & TPD cover at merger date will be the same and subject to the same terms and conditions with MLC Limited, but your Income Protection cover will change (as detailed below). You do not need to do anything.

Your occupation category, continued cover and any exclusions or conditions that are in place will be carried across to Hostplus on the policy provided by MLC Limited.

Hostplus will send you an insurance confirmation letter from the end of October 2023 which confirms your insurance cover, including the types of cover you hold, the level of cover and the cost of cover.

Insurance premiums remain the same, however will be deducted monthly

The cost of your Death & TPD insurance cover will remain the same at the date of the merger; however, premiums will be deducted monthly in arrears, not annually in advance.

Your premiums will continue to be paid directly out of your account. If your employer pays for your cover, you will be reimbursed by an equivalent employer contribution upon receipt of payment from your employer (where applicable).

Income protection will be calculated in units of cover

The way your Income Protection (IP) cover amount is determined will change from 2 September 2023. Your IP cover will be converted to units of IP cover and rounded up to the closest \$100 unit, based on your existing level of cover with Maritime Super as at 1 September 2023.

As your level of cover will be unitised and rounded up, your income protection cover upon transfer may be up to \$100 higher than the cover you held with Maritime Super, which may slightly increase your premiums. Premiums will also be deducted monthly in arrears, not annually in advance.

Hostplus will also no longer contact you annually to obtain an updated salary. Hostplus will however provide you with an annual summary of your insurance and you can still apply to update your IP cover at any time to ensure the amount of cover you hold adequately represents either 50% or 75% of your salary, to a maximum of \$20,000 per month. Some increases may be subject to approval by MLC Limited.

The change to unitised cover is being made to align with industry practice adopted by Hostplus. You can contact Hostplus from mid-September 2023 to apply to change the number of units of IP cover with Hostplus.

If you are currently receiving insurance benefits

If you are currently receiving insured benefits resulting from a claim, you will continue to do so. For any new claims, refer to page 18 for more information.

If you don't have insurance cover with Maritime Super

If you don't hold insurance cover as at 1 September 2023, your account will transfer across as is. You can apply for insurance cover, under the existing MLC Limited policy, after the limited service period, subject to acceptance by the insurer.

Under superannuation law, however, if you meet certain eligibility conditions (including being over 25 and having a balance of at least \$6,000), you may be automatically granted Death & TPD insurance cover following the transition. If you are granted cover, Hostplus will send you an insurance confirmation letter.

If you are currently applying for insurance cover or modifying cover already in place

Maritime Super, along with the insurer MLC Limited, will endeavour to finalise all applications for insurance prior to the merger. Any insurance applications, or applications to modify insurance cover (including your occupation category) that are not finalised before 1 September 2023 will be forwarded to Hostplus for processing. You will not be required to resubmit your application or claim.

Call Member Services for assistance if you have any questions about your insurance application.

If you already have a Hostplus account with insurance cover

If you already have a Hostplus account with insurance cover, you will be contacted separately with information and options for your insurance cover. Please contact us if you have any questions on this matter.

Electing to have insurance cover

Default insurance

Under what's known as the Putting Members' Interests First legislation, unless your insurance is employer-paid or you are employed in a dangerous occupation, super funds are required to:

- not offer or provide insurance cover for members who have not had an account balance equal to or greater than \$6,000 or who are under 25 years of age and are not employed in a dangerous occupation, unless you 'opt in'; and
- provide automatic 'opt out' insurance cover for members whose account balance equals or is greater than \$6,000 and are 25 years or older.

If you have opted in prior to the merger, and currently hold insurance cover with Maritime Super, this election will continue to apply in Hostplus.

If you have opted in for insurance cover with Maritime Super prior to the merger, but it was not applied because we did not receive an employer contribution to your account, you will need to provide Hostplus with a new election to opt in for cover (under the MLC Limited policy).

If you have opted out of insurance cover with Maritime Super prior to the merger, this election will continue to apply in Hostplus.

Elections to retain insurance cover

Also under what's known as the Protecting Your Super legislation, any member account that hasn't received a contribution or rollover during a 16-month period is deemed to be 'inactive' – and super funds cannot provide or maintain insurance for members whose accounts are inactive (unless an election to retain cover has been made). Upon transfer of your Maritime Super account to Hostplus, the '16-month clock' resets the period for determining when an account may become inactive.

If you have elected to retain insurance cover, even if your account has been inactive for 16 months, your election will be carried across to Hostplus.

Where you have already been inactive for more than 16 months and have not elected to keep your cover, you will need to reapply for insurance cover with Hostplus.

Fees and costs

Hostplus' fees and costs differ from those of Maritime Super

The tables below provide a comparison and summary of Maritime Super's current fees and costs, and the fees and costs that will apply at Hostplus from 2 September 2023.

Where a range of fees and costs is shown, the applicable fee or cost depends on the investment option. Fees and costs can be paid directly from your account or deducted from your investment returns. Other fees and costs, such as activity fees, may also be charged.

The fees and costs shown in this section are based on Maritime Super's Accumulation Advantage PDS dated 1 July 2023 and Hostplus' PDS dated 1 July 2023.

¹ If your account balance for a product offered by the superannuation entity is less than \$6,000 at the end of the income year, certain fees and costs charged to you in relation to the administration and investment are capped at 3% of the account balance. Any amount charged in excess of that cap must be refunded.

² The administration cost of 0.10% pa is the estimate of the additional operating costs expected for the financial year ended 30 June 2023 which would not be met by the administration fees charged to member accounts.

³ The administration fee of \$1.50 per week is deducted from your account monthly, on the last Friday of the month. The amount charged per annum depends on the number of Fridays in a year.

⁴ The \$32.91 administration fee deducted from the Hostplus Administration Reserve is based on estimated and actual information from the previous financial year.

⁵ Investment fees and costs includes an amount for performance fees – these fees and costs are set out under 'Total investment fees and costs for particular investment options.'

⁶ These fees and costs are based on actual figures and estimates from the previous financial year, except in the case of performance fees which are generally averaged over 5 financial years. The fees and costs payable in respect of each future year may be higher or lower. Where estimates were used, they have been informed by management, historical and industry experience, as well as information from third party service providers.

⁷ The pooled asset fee is the fee to invest in the Hostplus PST.

⁸ Disclosed transaction costs are an estimate based on transaction costs payable in the previous financial year.

Cost of product for 1 year

The cost of product gives a summary calculation about how ongoing annual fees and costs can affect your superannuation investment over a 1-year period for all superannuation products and investment options. It is calculated by adding (1) administration fees and costs, (2) investment fees and costs and (3) transaction costs. It excludes member activity-related fees and costs. The cost of product information assumes a balance of \$50,000 throughout the year.

Reserves

Maritime Super maintains an insurance reserve, operational risk reserve, a PST operational risk financial reserve and a fund operating reserve. Maritime Super will transfer sufficient operational risk reserves and fund operating reserves to Hostplus so that the reserves will be equalised as a percentage of fund assets to the extent possible. Any other reserves not previously distributed will be moved across for the benefit of members.

4. Actions you may need to take before or after the merger

There may be some actions you need to take ahead of the merger or shortly thereafter, following the limited service period. We recommend you read the following carefully.

Limited service period

The limited service period is between 25 August and 12 September 2023; during this period, the processing of some requests will be limited while accounts transition to Hostplus. Please be aware that withdrawals cannot be processed until after the limited service period.

All forms requesting changes to your account must be received by 5pm (AEST) on 25 August 2023. Forms received after this time, and incomplete or incorrectly completed forms, will not be processed by Maritime Super and you will need to complete and submit a new request to Hostplus. We recommend you email any forms or instructions to ensure they are received by the cutoff on 25 August 2023.

For online transactions, you have until 5pm (AEST) on 31 August 2023 to make any changes or switches via Member Online.

Important

We recommend that you email any forms or instructions to info@maritimesuper.com.au to ensure they are received by the cutoff date of 25 August 2023. Do not return completed forms to us by mail. Call Member Services on 1800 757 607 if you have any questions.
